Dear Mr. Clancy,

We wish to thank you for your letter of September 11, 2009 regarding Community Social Service Workers Appreciation Day.

We certainly recognize the importance of Community Social Service Workers Appreciation Day and wish to commend you and your members on the important work that social workers do in our community.

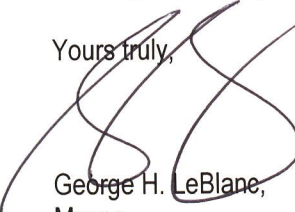

The City of Moncton has eliminated the reading of proclamations at Council meetings since 2000. As a result, we no longer make public proclamations at our council meetings.

Nevertheless, you can be assured that members of City Council support the important initiatives of volunteers in our community, and are aware of the important work and goals of your organization.

We have forwarded your request to City Council for their information and it is likely that the subject may be raised by an individual member of council under Councillors' statements which may serve your purpose as well.

Once again, thank you for your work in our community and province as a whole.

Yours truly,

George H. LeBlanc,  
Mayor
