#5 HEALTH CARE

STEPHEN HARPER'S

Take care of big business first with:

- * More tax cuts for rich corporations
- * Even more private, for-profit health care
- * Still more federal prisons instead of hospitals
- * Even more profits for drug companies
- * Endless tax giveaways to oil companies

YOURS & MINE

Take care of ourselves first with:

- * More frontline health care professionals
- * More and better mental health services
- * More and better home care services
- * National pharmacare program
- * More and better long-term care homes
